SAP Certification in the SD Module I	x	x	
SAP Certification in the SD Module II	x	x	
Seminar on Creative and Entertainment Industries	x		x
Design and Applied Arts			
Advanced Digital Representation Techniques			x
Architecture Theory and Design Methodologies	x		x
Creativity and Innovation			x
Descriptive Geometry			x
Design and Ethnography Methods	x		
Design Ergonomics			x
Design Fundamentals I			x
Design Fundamentals II			x
Drawing	x		x
Experience Design II	x		
Facility Design and Materials Management	x		x
Form Exploration Workshop I			x
Futurology in Industrial Design	x		x
History of Architecture and the City III			x
Innovation, Design and Business Setting			x
Models and Scale Models			x
Musical Production Project			x
Product and service design	x		x
Product and System Design I	x		x
Product Design			x
Professional Insertion Project			x
Professional Portfolio			x
Projects I: Residential Housing	x		x
Projects III: Educational or Recreational Buildings			x
Projects V: Mixed-use Complexes	x		x
Promotion and Management	x		
Strategic Design	x		
Urban Analysis			x

Courses taught in English at Tecnológico de Monterrey MEXICO CITY CAMPUS

Urban Design Methods	x	x
Urban Theories		x
Urban Theory	x	
Engineering and Sciences		
Analysis and Enhancement of Manufacturing Systems		x
Applied Electronics		x
Biochemistry		x
Biodesign	x	x
Biology and Sustainable Development	x	x
Bioprocess Laboratories	x	
Biotechnological Processes Laboratory		x
Businesses and Ecosystems Conservation	x	
Cardiovascular Engineering		x
Chemistry	x	
Chemistry Laboratory	x	
Climate Change and Energy Use	x	x
Control Engineering	x	
Design and Improvement of Logistic Systems		x
Differential Equations	x	x
Dynamics		x
Electric Machines and Controllers	x	
Electricity and Magnetism	x	x
Electromechanical Energy Conversion	x	
Energy Distribution Systems	x	
Engineering Economics	x	
Enzymology and Biocatalysis	x	
Enzymology and Biocatalysis Laboratory		x
Experimental Chemistry		x
Finite Elements Method in Engineering	x	
Food Sciences Lab	x

Mechanism Analysis and Simulation	x	
Molecular Biology		x
Numerical Methods in Engineering	x	
Operational Design and Optimization Laboratory		x
Physics I	x	x
Physics II	x	x
Probability and Statistics	x	x
Process Optimization and Design Laboratory	x	
Production Laboratory	x	
Projects Engineering	x	
Quantitative and Optimization Models	x	x
Statics		x
Statistical Methods for Decision Making	x	x
Statistical Quality Control		x
Strategic Planning	x	x
Strategies for Innovation and Design in Bioengineering	x	
Supply Chain Integration Project		x
Supply Chain Planning and Control	x	
System Dynamics	x	x
Thermodynamics	x	
Work Design		x
Health Sciences		
Community III		x
Historical Foundations in Health Sciences		x
Nutrition in the Life Cycle	x	
Research and Technology in Health Sciences		x
Information Technology and Electronics		
Analysis and Modeling of Software Systems	x	
Audio Programming		x
Compiler Design		x
Corporate Networks I	x	
Digital Audio Systems for Web and Mobile Devices	x	
Information Systems	x	
Introduction to Networks	x	x

Courses taught in English at Tecnológico de Monterrey MEXICO CITY CAMPUS

IP Networks for the Small and Medium Corporation	x	x
MIDI Systems	x	x
Music Production and Digital Mixing Workshop		x
Network Interconnection	x	x
Operating Systems	x	x
Software Design and Architecture		x
Sound Synthesis and Signal Processing		x
Strategic Information Systems		x
Virtual Environments Design	x	x
Social Sciences and Humanities		
Advertising and Commercial Photography	x	x
Africa Regional Scenario	x	x
Alternatives for Dispute Resolution		x
Analysis and Verbal Expression	x	x
